

## **Notice of Availability**

### Approved Environmental Assessment and Finding of No Significant Impact for the Williamsport Regional Airport New Terminal Building Project

The purpose of this Notice of Availability (NOA) is to announce the availability of the recently approved (September 30, 2016) Environmental Assessment (EA) and Finding of No Significant Impact (FONSI) for the Williamsport Regional Airport New Terminal Building Project. The proposed project is to construct a new 30,095 square foot, one-story terminal building. Additional actions associated with the new terminal building will include reconfiguration of Airport Road to align with the new terminal building, new/upgraded parking configuration to accommodate the recommended 426 spaces, and extension and/or relocation of the existing utilities to service the new terminal building, as well as demolition of the ARFF and SRE buildings to allow for construction of the new terminal building. The ARFF and SRE functions will be relocated to existing buildings within IPT. The existing airfield electrical vault will also be demolished and relocated immediately to the east of the existing fuel farm. This is being done in order to allow for the realignment of Airport Road, and to ensure safe and continued functionality of electric service, as the main electrical feed to the airfield circuits would be impacted by the construction of the new terminal building.

The Federal Aviation Administration (FAA) has found the project to be consistent with existing national environmental policies and objectives of Section 101 (a) of the National Environmental Policy Act of 1969 (NEPA) and other applicable environmental requirements. The proposed Federal action will not significantly affect the quality of the human environment or include any conditions requiring consultation pursuant to section 102(2)(c) of NEPA.

The approved EA and FONSI can be found at the following locations during normal business hours of 9:00 am to 4:00 pm Monday through Friday:

Williamsport Regional Airport  
700 Airport Road, Suite 204  
Montoursville, PA 17754  
Phone: (570) 368-2444
